Mayor John Cranley
City of Cincinnati
801 Plum St
Cincinnati, Ohio 45202

Dear Mayor Cranley,

On April 15th, 2014 the Northside Community Council board voted to support the Central Parkway Protected Bike Lane Project by the DOTE.

The installation of the protected bikeway will improve safety and perceived safety of bicycling in our city, and will help connect our communities and business districts with a healthy, sustainable, and economical transportation option for residents and workers traveling between Northside, Clifton, Brighton, West End, and Over-the-Rhine/Downtown. The proposed bikeway augments other ongoing biking initiatives, including the Mill Creek Bike Trail, and the anticipated Bike Share Program.

We ask you to join us in support of this project that helps connect neighborhoods, encourages cycling, and enhances the livability of Cincinnati.

Thank you,

Oliver Kroner
President
Northside Community Council
